2023

AGRIBUSINESS ACADEMY PROGRAM

**NEW CONTENT FOR THE 2023
AGRIBUSINESS ACADEMY! IF YOU CAME
LAST YEAR AND ATTEND THIS YEAR, YOU
WILL GAIN NEW SKILLS TO EFFECTIVELY
LEAD YOUR ORGANIZATION.**

Next level Communication: Navigating Difficult Conversations and People

Looking for to refresh your communication skills? Learn how to convey your message clearly and concisely by using the right words, tone and body language so that your message is received and understood.

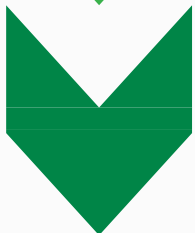

Essential for Leadership: What every Supervisor Should Know

Gain the abilities need to effectively motivate employees, delegate tasks effectively, make informed decisions and solve problems as they arise. even if you have been a supervisor, the training is vital for success!

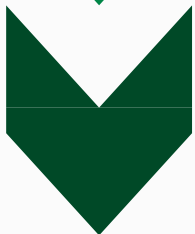

Cash Cab: Respect or regrets

Foster respect in the workplace to create a positive and inclusive environment within a group activity with other attendees and network with other supervisors, leaders and rising stars in other organizations.

Tower or Triumph or Trouble ? Effective Communication

Teams will participate in a competitive tower building activity where the stakes are high and the pressure is on! This activity will highlight how and were communication tends to breakdown and helps us apply effective communication.

Building a postive company or team culture

Most of us have experienced a bad work environment and thinking of it is enough to give us a shudder. Good morale, and a positive company culture come from the top, yes, but each employee has an impact. Learn how to build a positive work environment on your team, in your department, or even impact the entire organization.
